

BUILDING SURVEYOR

MERSEYSIDE

£30,000-£40,000 + BENEFITS

The Knowsley Estate is a diverse and energetic estate with a mixture of properties and land including the iconic Knowsley Safari and Knowsley Hall with surrounding grounds. The Estate also comprises commercial, residential and agricultural properties of a variety of ages and construction within the walls of the park and surrounding areas. This alone creates an abundance of diverse work for the Property Services department, from isolated defect investigation for listed buildings to interesting refurbishment projects and much more.

Key Responsibilities

- Building pathology and defect investigations
- Project and programme management of maintenance and refurbishment works
- Contract administration
- Heritage property surveys and upkeep
- Assist the Head of Property Services on all estate property matters

The Individual

- MRICS building surveyor or equivalent
- Proven track record in a role with professional surveys and project work
- Ideally some heritage or historical building experience
- Well suited to an individual with a strong interest in historical buildings and prefers a diverse workload

An excellent salary is on offer with some unique benefits and a strong work life balance. Please apply to Knowsley Estates' retained recruitment consultant Charlotte Browne, enclosing a full CV and current remuneration details to CBrowne@macdonaldandcompany.com quoting reference 944760. Alternatively call Charlotte on 0161 607 5096 for a confidential discussion. You can also apply online at www.macdonaldandcompany.com. All direct and third party applicants will be forwarded to Macdonald & Company.
