

QUALITY, INNOVATION AND VALUE.

GSC Grays is an independent firm of Chartered Surveyors, Land and Estate Agents operating throughout the UK, but principally within the North of England. Their aim is to be the leading independent rural practice and property consultancy in the North of England, providing an exemplary level of client service, which surpasses the competition in terms of quality, innovation and value.

Please apply to GSC Grays' retained recruitment consultant Simon Chevis, enclosing a full CV along with current remuneration details to schevis@macdonaldandcompany.com. Alternatively call Simon on 0161 607 5087 for a confidential discussion. You can also apply online at www.macdonaldandcompany.com.

All direct and third party applicants will be forwarded to Macdonald and Company.
